Boating Classes Planned

Flotilla 54 of the United States Coast Guard Auxiliary today announced a new Basic Seamanship Class beginning Tuesday, Feb. 11, at 7:30 p.m. The course, free to the public, will be held for 12 weeks at that same hour at the TRW cafeteria at 1 Space Park, Redondo Beach, Building S. Instructed by Henry Fry, Commander of Flotilla 54, classes will include boating safety and equipment, rules of the road, and basic navigation and chart reading.

Would you walk across the street for \$111.80?

A lot of people save where they do out of habit or convenience, with little regard to the fine print in the passbook. If you wanted to withdraw \$10,000 from your savings account after only, say, 80 days, Western Fed would give you your money and pay you earnings for every day—\$111.80. Most savings institutions (including the five largest) require that your funds be held for 90 days or until quarter's end before they earn full dividends. To earn commercial banks' highest rate you must buy "Certificates of Deposit"...and you may withdraw those funds before maturity only in case of hardship, and then at less than full earnings! If \$111.80 means something to you, look it up. Then look us up. Or drop us a line. Actually, we're as convenient as your mailbox and we pay all the postage.
